Letter of reference: Touchton Plumbing Contractors Inc.

To whom it may concern:

The first thing that stands out for Touchton Plumbing is their quality of work, their 'standup' reputation and concern for doing what's right with integrity and professionalism. Even with tight schedule constraints they never backed down. They step up to the plate and do what they need to do to get the job done.

Two recent projects include the Oceanway Middle School and the North Shore K-8 Duval County Public Schools. Touchton Plumbing was very cost-conscious and had a great attitude during these projects. They look closely at the engineers specifications to identify any quality ideas that would produce cost savings.

Touchton Plumbing set themselves apart as a team player committed to quality workmanship. They are cost-conscious, productive, and efficient on the job site. If the schedule gets tight, even if it is caused by another sub, Touchton Plumbing just "mans up" and keeps the job on schedule.

As a Construction Management firm, it is very important that the owners see that the subcontractors are truly team players. Touchton Plumbing has demonstrated, through proven performance, that they are a team player, staying focused on quality and exceeding client expectations. Eric Touchton is a key team player committed to quality.

Please do not hesitate to call me if you have any questions or if I can be of assistance at 904-509-3312.

Sincerely,

Mr. Lon Neuman,  
Operations Manager  
Ajax Building Corp.
