Mr. Robert J. Schnock, Jr.
Danis Construction
10748 Deerwood Park Blvd., South
Jacksonville, FL 32256

Letter of reference: Touchton Plumbing Contractors Inc.

To whom it may concern:

It is a pleasure to work with Touchton Plumbing. Eric Touchton is a man of character with strong moral values. These values are reflected through out his organization and coupled with consistent quality workmanship and jobsite efficiency; they are my first choice for commercial projects.

Touchton Plumbing does an excellent job at value engineering. There are always looking for ways to maintain or improve quality while saving the client money. On one particular project they evaluated various fixture packages to bring the project within budget. Touchton Plumbing is a quality subcontractor with very competitive pricing. They do excellent work and are usually the low bidder.

Senior Project Manager, Bob Schneider has been impressed with the responsiveness and quality of workmanship exhibited by Touchton Plumbing on the three-story, 110,000 SF, Nemours' New Home Office Building. Mr. Schneider states, "During the initial phase of the project, Touchton Plumbing has been very responsive to any request. They have had materials delivered on schedule, completed installation with quality workmanship and have stayed on schedule. They do quality work and it has been a very positive experience to work with Touchton Plumbing."

Eric Touchton has also worked with me in support of The East Side Police Athletic League, which demonstrates his commitment to give back to the community. Both personally and professionally, Touchton Plumbing has my highest recommendation.

If you have any questions or if I could be of further assistance please do not hesitate to call me at 904-724-6045.

Sincerely,

Robert J. Schnock, Jr.
Chief Estimator,
Danis Construction
