Re: Reference Letter for Touchton Plumbing Contractors, Inc.

To Whom It May Concern:

Touchton Plumbing Contractors has performed numerous projects for The Haskell Company since their inception. Several of the engagements have been large and complex projects in the Jacksonville area as well as several in other southeastern states. Touchton Plumbing Contractors has always met their commitments and typically exceeded our expectations.

The integrity and character of the individuals and the firms that we choose as our contract partners on large projects is critical to the successful delivery of those projects. When issues come up on a large, fast-paced project a person of integrity who will consistently do what is right and whatever it takes to keep the project moving is critical. Mr. Eric Touchton, owner of Touchton Plumbing Contractors, is that kind of person and has built that kind of firm.

If I can be of further assistance, please do not hesitate to contact me at the office (904) 357-4971.

Sincerely,

Boyd Worsham
